

HOW MEN OF VALOR CHANGES MEN

1. MOV TELLS MEN WHO THEY ARE

We give the Gospel and teach men how God sees them—as mighty men of valor! To men who have never heard or understood biblical manhood, the Bible's truths are astounding.

3. MOV TEACHES BIBLICAL MANHOOD

The messages focus on studying the Word of God, leading in their marriages and homes, being godly fathers, being godly examples in their workplaces, finding one or two brothers to stand strong together in the battles of life, and living with their legacies in mind.

5. MOV JUMPSTARTS DISCIPLESHIP

Local pastors identify men to lead men's discipleship groups that launch at the conferences. We provide Bibles and Bible studies. Hundreds of groups have started, continue, and multiply! Over 1500 men have come to Christ in Malawi alone through the groups!

2. MOV ENCOURAGES AND ENERGIZES

We teach that God has called men to live for Christ as warriors—in strength and conviction...that the Lord is with them just as He was with Moses, Joshua, and the disciples...and to live out who they are and how to apply what they have in Christ (2 Pet. 1:3).

4. MOV TRAINS CHURCH LEADERS

We advise pastors how to reach men; to rethink their church's culture to be man-friendly; and how to attract, keep, and empower men to fulfill God's vision for them and the church.

As a result, families are restored, churches are growing, and MOV-inspired men are planting churches!

▶ WE GO WHERE THE MEN ARE

Across the globe, there is a desperate need for men to follow Jesus Christ and lead their families and communities. We take the Word to these men.

Men need to see the importance they have. Men need to see and understand how much God loves and values them. They need to realize their essential role in His kingdom.

When men learn and follow these truths, lives are transformed, families blessed, and churches grow. Both the problems and solutions in societies and families begin with men.

Men of Valor International takes God's Word to men around the world. Working with local pastors, we host men's conferences where we teach biblical manhood, launch men's outreach and discipleship groups.

I realized that I need to read my Bible deeply and to wake up as a man of valor. I need to be a man of the Word.

ELLY A. | KENYA

I was forced to take a good look in the mirror and see who I really am.... My life as a man of valor needs to be more than just superficial.

GABRIEL M. | NICARAGUA

REACH THE MEN WHERE YOU'RE ALREADY INVESTED

You and your church invest in missions around the world. Don't ignore the men! Men of Valor International wants to work with you to reach and build men in those countries. Now is the time to energize these men with God's Word.

CHANGE THE LIVES OF MEN, CHANGE THE WORLD

Most international churches have few men, and their pastors are not equipped to change that. Scripture, however, is clear about how crucially important God views men. If we change the man, we change the marriage, family, workplace, church, and community.

DISCIPLESHIP CHANGES EVERYTHING

Ongoing discipleship is vital to making a lasting difference. Our proven model has launched as many as 160 men's discipleship groups in a single year!

JUMPSTART CONFERENCE

Our biblical manhood jumpstart conference helps men understand how God sees them, His role for them, and how He has equipped them. MOV International teaches a man's position in Christ, his godly priorities, and strengthening practices.
