

HOW MEN OF VALOR CHANGES MEN

1. MOV TELLS MEN WHO THEY ARE

We give the Gospel and teach men how God sees them—as mighty men of valor! To men who have never heard or understood biblical manhood, the Bible's truths are astounding.

3. MOV TEACHES BIBLICAL MANHOOD

The messages focus on studying the Word of God, leading in their marriages and homes, being godly fathers, being godly examples in their workplaces, finding one or two brothers to stand strong together in the battles of life, and living with their legacies in mind.

5. MOV JUMPSTARTS DISCIPLESHIP

Local pastors identify men to lead men's discipleship groups and launch at the conferences. We provide Bibles and Bible studies. Hundreds of groups have started, continue, and multiply! Over 1500 men have come to Christ in Malawi alone through the groups!

2. MOV ENCOURAGES AND ENERGIZES

We teach that God has called men to live for Christ as warriors—in strength and conviction...that the Lord is with them just as He was with Moses, Joshua, and the disciples...and to live out who they are and how to apply what they have in Christ (2 Pet. 1:3).

4. MOV TRAINS CHURCH LEADERS

We advise pastors how to reach men; to rethink their church's culture to be man-friendly; and how to attract, keep, and empower men to fulfill God's vision for them and the church.

*As a result, families
are restored, churches
are growing, and,
after several years of
Bible teaching, MOV-
inspired men are **even**
planting churches!*

changing communities by changing men.**

▶ WHERE ARE THE MEN?

There is ample evidence that when *godly* men lead in their homes, communities, and churches, society thrives. However, in many international settings, there is little or no specific outreach to men, men's discipleship, or men's teaching. Yet the problems in much of society around the world **start with the men.**

Men need to see the importance they have. Men need to see and understand how much God loves and values them. They need to realize their essential role in His kingdom.

Across the globe, there is a desperate need for men to follow Jesus Christ and lead their families and communities.

Men of Valor partners with individuals and church leaders around the world to help them reach and disciple men. God is raising up MOV to reach and build men.

I realized that I need to read my Bible deeply and to wake up as a man of valor. I need to be a man of the Word.

ELLY A. | KENYA

I was forced to take a good look in the mirror and see who I really am.... My life as a man of valor needs to be more than just superficial.

IS YOUR CHURCH REACHING MEN IN THE PLACES YOU CARE ABOUT?

Your church is actively invested around the world. Have you reached the men? MOV can be your partner. MOV has led over 50 conferences in over 25 countries, launching men's discipleship around the world.

THE NEED IS GREAT

Most churches have few men, and church leaders are often discouraged about how to reach and retain men. But the Lord has made it very clear in His Word how crucially important men are. **MOV teaches a man's position in Christ, his godly priorities, and supportive practices.** Our jumpstart conferences help men understand how God sees them, His role for them, and how He has equipped them.

DISCIPLESHIP CHANGES EVERYTHING

If we can change the man, we can change the marriage. If we can change the man, we can change the family, the workplace, the church, and the community. Discipleship makes the difference.

Sponsor an MOV conference where you are already involved. Make a difference in the lives of families and communities you care about.
